

Ysta-Magasinet's Cookie Policy

What are cookies?

Cookies are small text files stored in your browser when you visit a website. They are used to ensure that the website functions correctly and to improve your experience as a visitor.

Which cookies do we use?

Type	Purpose	Choice
Necessary cookies	Required for basic functions on the website (e.g. the cookie banner itself) to work.	Cannot be disabled
Google Fonts	Loads fonts used on the website.	Loaded only if you accept external services
Google Maps	Displays the map in the "Find us" section.	Loaded only if you accept external services

Your choice

When you visit ystamagasinet.se for the first time, a banner is displayed where you can choose "Necessary only", "Reject" or "Accept all". Necessary cookies are always set, because otherwise the website will not function. Google Fonts and Google Maps are loaded only if you actively accept external services.

Third countries

Google Fonts and Google Maps may mean that certain data is processed on servers outside the EU/EEA. Google applies its own safeguards for such transfers.

Change your choice

You can change your choice at any time by clearing cookies in your browser, after which the banner will be displayed again the next time you visit.

Contact

If you have questions about our use of cookies, please contact Hans Fischlein - see the contact details in the footer of the website.
